**Miramar Group Further Expands its F&B Business with the
Opening of Cuisine Cuisine in Wuhan**

Miramar Group announces the opening of its second Cuisine Cuisine in Mainland China. Offering one of the largest wedding venues in the central region, the restaurant will open its doors on 22nd March and is set to deliver the same delicate, authentic Cantonese cuisine the 1-star Michelin restaurant in Hong Kong is famous for.

Located on the 9th floor in Wuhan International Plaza Shopping Centre, it commands a total gross floor area of over 7,000 sq. m and can house a total of 68 banquet tables. Sitting on Jiefang Avenue in the Jiangnan District, it enjoys an unrivaled location at the heart of Wuhan's business centre and is ideal for business conferences, functions and exhibitions.

Inspired by Art deco design, the décor, furniture, lighting and art pieces come together to form a clean and modern interior. Colours like black, burgundy, gold and striking geometric patterns found in many Art Deco works are used to inject drama throughout the dining room, whilst advanced lighting systems help create exclusive settings for banquets of all sizes.

In the tradition of delivering distinguished tastes that Cuisine Cuisine in Hong Kong is famous for, Chef Yau Ka Ming will be heading up the kitchen. Having learnt from the masters, he went on to accumulate over 30 years of experience, including stints as head chef for numerous renowned hotels and restaurants such as the Sheraton Guangzhou, Sheraton Zhongshan, Sheraton Shunde, Shangri-La Hotel, Shenzhen and The St. Regis, Beijing.

"We are excited to announce that our second Cuisine Cuisine is now ready to open in the key economic development area of central China. The demand for outstanding banquet venues in the Mainland continues to grow and it is our intent to meet this demand with not just exquisite cuisine, but also with prestigious settings to deliver the finest dining experience." Said Mr Romain Chan, Group General Manager.

Firmly committed to innovation and quality, Miramar Group has successfully launched many award-winning F&B brands in Hong Kong. The announcement comes just 6 months after the first Cuisine Cuisine was launched in Beijing; and the move helps solidify the Groups continued expansion of its F&B business outside of Hong Kong.
